ANNOUNCEMENT

The Officers and other Members of the Board of Directors of the International Organization of Psychophysiology, the entity constitutionally charged with control of all IOP business, announces the following:

After the unexpected death of the Founding President Constantine Mangina, continuation of IOP business in an orderly manner requires that the election scheduled for 2010 be deferred.

Elections will be held in 2011; the date of the election will be published in the International Journal of Psychophysiology.

Any nomination/election papers previously sent out are null and void.

Giuseppe Chiarenza
Interim President of IOP
